- On 13 June 1984, Major Greg Davis, USA/SOUTHCOM, gave a briefing for a "core" group of the Community's principal narcotics representatives. The purpose of the briefing was to provide an appropriate forum for an informal exchange of views; clarify any ambiguities concerning SOUTHCOM's projected narcotics role in the Caribbean region; and to illuminate those specific areas in which the Community and/or the IC Staff could exercise a supportive role.
- The CIPC Narcotics Working Group will meet on 20 June to discuss drafting responsibilities for the final report due to the DDCI on 30 September.
